

Morrison Library to gather feedback for next step in renovation plan

THU, MAR 19, 2015 18:05 CET Renovation set to begin in 2016

On Monday, March 23 we will present the latest plan about how Morrison Regional Library intends to match its physical design with the services we know are important to you. Your feedback helped us form this plan and we want to hear your thoughts.

Those interested are welcome to attend on Monday, March 23 at 4 p.m. and 6 p.m. in the Auditorium at Morrison Library (7015 Morrison Blvd., Charlotte NC) to learn more about our vision for facility improvements.

The Morrison renovation should start sometime in 2016. The renovation is part of an overall Library capital projects plan funded by County Pay-Go funds and other funds. The result will be a better library for you.
