

CHARLOTTE MECKLENBURG
LIBRARY

Dear Parents,

Charlotte-Mecklenburg Schools and Charlotte Mecklenburg Library are partnering to support students' ongoing education. We share the belief that a love of books and learning is a strong foundation for student success, and it is with these shared goals in mind that we are working together to ensure that every CMS student will have access to books and resources found at their public library.

Through this partnership, CMS students are able to use their Student ID number to access and check out public library resources. We call this initiative **ONE Access**, because *one* number (a CMS student ID number) is all that a student needs.

Here are some important things for parents to know:

- ONE Access allows students to borrow e-resources and access library databases just like any other Charlotte Mecklenburg Library card.
- Students can also borrow up to 10 print or audio books (no DVDs or music CDs).
- There are no overdue fines for ONE Access accounts, but users are responsible for fees on lost books.
- All students will automatically be enrolled in this program and be able to use their school ID number to access library services.
- **CMS ONE Access accounts will now have a default PIN of the students MM/DD birthdate.** A student born on July 4 has a PIN of 0704. A birthday of October 31 is now 1031.
- If you would like to allow your child to access online resources, but don't want them to be able to borrow physical materials (books or audiobooks), we've built in the ability to customize the ONE Access accounts. Parents may request that the "borrower type" on a child's account be set for access to digital resources only. You may make this request by visiting or calling any library branch.
- If you do not want your child to have access to library resources, you may opt out. See page two of this document for an opt-out form, which you can print out, sign, and return to any library branch. Be aware that students who opt out of ONE Access will not be able to participate in classroom use of library resources unless they have a Charlotte Mecklenburg Library card and know the full card number and PIN.

A list of Charlotte Mecklenburg Library locations is provided on page 3.

Have a great school year!
