**Story of Impact**

Our staff member, Melanie Murdock, is a frequent customer at the Cook-Out fast-food restaurant near the branch. A library customer who works there recognized Melanie when she came into our branch and shared that she is currently in school to be a medical office assistant. The young woman came to the Library because she needed help with a PowerPoint presentation for one of her classes. Staff members Melanie Murdock and Lonna Vines helped her complete her PPT project on time.
