### My Local Library

(<https://charlotte.kidsoutandabout.com/content/libraries-charlotte-region>)

Of course, the libraries in the Charlotte area are not really ONE place, but MANY places... but it's important to emphasize how valuable libraries are for family learning and fun. The libraries in our area are wonderful about posting their events to the KidsOutAndAbout calendar so you always can get ideas for free things to do with your kids that celebrate education and imagination. KidsOutAndAbout.com takes this opportunity to salute the wonderful children's librarians who serve our

community with such dedication. They're proud that locals voted them #3 in best places to take kids this year!
