Here are some courses to consider today:

Children

- [Face Painting 101](#) – This course not only teaches the history of face painting; it also teaches almost any design you could ever dream of making and more.

Teens and Adults

- [Watercolor Painting 101](#) – Learn and master the basics of this cultural artform. It's the perfect course for those wanting to flex their creative muscles and express themselves.
- [Cake Decorating 101](#) – Have your cake and eat it, too. This course will teach you how to make wedding worthy cakes. Or, at least, get you closer to baking marvelous cakes from scratch.
- [Digital Photography 101](#) – Learn how to put your camera to use with a course designed to give you a comprehensive overview of digital camera designs and capabilities, and the series of steps to take great photographs.
- [Meditation 101: Learn How to Meditate](#) – Namaste inside and learn how to center yourself and achieve a greater sense of awareness, wisdom, introspection, and a deeper sense of relaxation.
- [Creative Writing Workshop](#) - Do you dream of writing poetry, short stories, novels or film scripts and storylines? This course will teach you where to start.
